CALL FOR PAPERS

The CIPA International Symposium is an interdisciplinary and international event, acting as a forum for discussions on all aspects of Cultural Heritage (CH) recording and documentation.

The scientific programme covers new emerging topics in CH domain such as:

- Latest developments in 2D/3D documentation techniques.
- Heritage valorisation and communication.
- Management of CH based on BIM/HBIM.
- Innovative monitoring techniques.
- Social value in the management of information for the conservation of CH.

The publication of papers is scheduled in ISPRS Archives / Annals. In addition, a number of selected papers will be published in a high-quality journal with a high impact factor.
